PER CURIAM:

Brian David Hill appeals the district court's order denying his pro se motion to stay the judgment pending appeal and his pro se motion for recusal related to revocation of supervised release proceedings. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *United States v. Hill*, No. 1:13-cr-00435-TDS-1 (M.D.N.C. Oct. 4, 2019). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
